Men's, Boys' and Children's Clothing. Boots, Shoes and Rubbers.

The regular Fall and Winter heavy trade on Clothing and Furnishings is near to the end, the holiday trade is over, and, whereas, the season has been exceptionally good with us, we still have a balance of our Winter stock on the counters. Our policy is to clear out our goods season by season in order to have free hands in buying a complete new stock for the next Winter, and to make a large vacancy for our Spring and Summer stock of Clothing and Furnishings, which will be arriving daily after February 1st, 1905. At this time of the year we prefer to sacrifice all our profits, and give the public a chance to buy goods at retail for manufacturers' prices, and so close out all our Winter Clothing and Furnishings, that we can at the opening of the coming season show our customers a full line of the latest styles in Men's, Boys' and Children's Outfitting.

These are the reasons which induced us to open a Great Clearance Sale of the balance of our Fall and Winter stock. This sale will begin January 7th, 1905, and will continue until February 25th, 1905.

We invite you to visit our store and be convinced that this is a genuine sale. You will find everything here just as advertised. Our clerks will be glad to exchange goods that do not fit, or return money if not satisfactory. Hoping to be favored with your patronage, we remain. Yours truly,
